The 5th International Symposium on Women's Health Issues in Thrombosis and Haemostasis

February 1-3, 2013 Vienna, Austria

Dear Colleagues,

It is our great honor to announce the **5th International Symposium on Women's Health Issues in Thrombosis and Haemostasis** to be held on February 1-3, 2013 once again at the Intercontinental Hotel in Vienna, Austria.

This biannual meeting, focusing on novel pathophysiological mechanisms and emerging clinical issues related to haemostasis, thrombosis and vascular biology in women, has become a major event attracting international community of physicians and scientists.

Haematologists, Gynecologists, Obstetricians, Cardiologists, Neonatologists and all those involved in research and clinical practice in this rapidly evolving field will find interest in the contents of the meeting.

As in previous years, we anticipate fruitful discussions in friendly atmosphere to be a seminal part of this symposium.

We look forward to seeing you in Vienna in February 2013.

Benjamin Brenner

Ian Greer
